

## **Accolades for the week of August 13**

August 15, 2012

Office Technology Analyst in Enrolment Services Susan Durkee was recently appointed president of the North American Association of Commencement Officers. The association unites commencement and convocation officers across North America to share ideas, traditions and explore new opportunities in planning graduation ceremonies.

“I am so honoured to serve this organization as president,” said Durkee. “I look forward to working with my fellow board members to take this organization to the next level and continue our mission of being the main source of information for commencement and convocation officers.”

In February 2011, Concordia hosted the association’s conference in Montreal.
